EN Fitting Instruction

Included with delivery

1x Adapter frame

Additionally required for installation (not included in delivery)

Sealant for installing the Adapter frame to the roof of the vehicle:
We recommend to use a 10mm - 12mm diameter round elastic sealant adhesive.

Installation

Please clean the frames carefully before mounting the sealant.

! Follow the instructions of the sealant manufacturer.

Fit the Adapter frame to the outside of the roof aperture onto a bed of sealant.

We cannot be held responsible for incorrect fitting, handling or operation.
Any product faults relating to the production and materials used should be notified to us via an authorised dealer immediately.
