

Stainless Steel Compressor Refrigerator – 50L

The PowerPart 50ltr 12v van refrigerator is a budget friendly compressor fridge designed to be a more affordable option to the CRX fridges from Dometic.

The PowerPart fridge is the same size as a Dometic (Waeco) CRX50 & Vitrifrigo C50i fridges, commonly used in many camper van conversions. Also suitable for caravans and motorhomes.

On the door is a digital control panel/display. The fridge also features sturdy shelving, door trays and a sizeable freezer compartment.
