

## Toli – Scissor Jack

GB

### Specifications

Art. 7206030

Minimum height: 100mm

Dimensions: 380 x 95 x 80mm

Load capacity: 1000kg

Maximum height: 350mm

Net weight: 2,2kg

### Safety instructions

Protect your vehicle from rolling away:

- Place a wedge
- Put the vehicle in gear (or in parking-position for cars with automatic transmission)
- Pull the handbrake

Base of jack should always rest on a firm, level surface.

Always position the jack under the lift points as instructed in the vehicle manual.

Never exceed the jack's rated load capacity (1000kg).

Never work under the lift load without additional support devices.

### To lift

Before use: Raise the jack manually to suitable height (1).

Use the wrench to jack up the vehicle (2).

### To lower

Put the switch on the wrench in the other position and use the wrench to lower the vehicle (3).
